

Chubby Bear Dolls

"Bear is everyone's favourite. Don't you just love them? ^_^"

Hi! I'm Anggi from Indonesia, and this is a free pattern of mine. You may post and/or sell the finished dolls made from this pattern, as long as you give credit to me as the designer and mention me at instagram (@kreasi_hyuka) or Facebook (Anggi Permata Sari). You can also use #chubbybeardolls hashtag to share your works and see the works of other people. Feel free to share this pattern, but don't claim this as yours. Happy Crocheting! ^_^

Random Tips:

Use magic ring as your foundation when starting amigurumi, pull the remaining yarn and tie a knot at the inside to make it strong.
